FEBRUARY CREPE PANACHE

A large, happy group, turned out for the 1st Annual Crêpe Festival Panache Tournament instituted in February by your LAPC Board (in their ever-growing lust for more and better food on our grounds of Rancho Park). Organized by Board member Chef **Serge Almeras**, and carried out by a squad of crêpe-makers led by Chef **Rudy Vallée** were: **Carol Marcus, Max and Felix Legrand** and Serge. It was one wonderful day made even more beautiful by

the assortment of incredible fillings for our tasty crêpes, most of the fresh fruit prepared by Carol Marcus: sweetened strawberries, cooked apple Calvados and mangos. As Rudy heated the hundreds of crêpes on the grill (there wasn't any way they could be made on our courts; all were prepared the night before), the players lined up for their just desserts. Everyone had more than one lavishly cream-filled, strawberry/apple-oozed, Nutella or chocolate syrup-dripped crêpe. Mmmmmmmmm few were left.

All the fillings and then some: from chocolate, fruit preserves, to Nutella, fresh strawberries, cream and Grand Marnier.

Positive response was received after the Crêpe Festival Games and the BoD plan on having more specialty "feasts" to accompany some of our future tournaments.

Rudy Vallée works the grill as crêpes are prepared for the "fillings table"
